PREAMBLE
OF THE
CONSTITUTION AND BYLAWS
OF THE
FBI NATIONAL ACADEMY ASSOCIATION

For God and Country, we, the FBI National Academy Associates, associate ourselves together for the following purposes:

To uphold and defend the Constitution of our country. To protect our country from any attack, whether foreign or domestic. To promote the interests of the various duly constituted law enforcement agencies within our country, giving to the members of our training received at the FBI National Academy the opportunity to cooperate with the Federal Bureau of Investigation in any way possible. To use and encourage the use of the Bureau available to all Law Enforcement Agencies. To perpetuate the memory of our Association with our class, associates, and faculty, and to encourage the same at all Retraining Sessions. To encourage the enlightenment and education of the general public with all duly constituted law enforcement agencies and the general public, in all matters of mutual interest; particularly, the exchange and dissemination of information; the detection and prevention of crime; the punishment of criminals; to strive for the highest standards for law and order and the maintenance thereof.

To these ends, we pledge to always conduct our affairs in a manner that will lend strength, dignity and honor to the profession of law enforcement.
